

Qu Xiaofeng

Curriculum Vitae

PERSONAL DETAILS

Birth March 26, 1982
Address PQ702, The Hong Kong Polytechnic University, Hong Kong
Office Tel. (852) 2766 7902
Mail csxfqu@comp.polyu.edu.hk

EDUCATION

Ph.D. Cadidate 2010-present

The Hong Kong Polytechnic University

Majored in Computer Science. Research fields include Computer Vision and Biometrics.

M.E. 2005-2008

Shenyang University of Technology, China

Majored in Detection Technology and Automatic Equipment. Research fields include Machine Vision, Image Processing and Biometrics. Supervised by Prof. Yuan Weiqi. Graduated as Outstanding Graduate with Outstanding Thesis.

B.Eng. 2001-2005

Shenyang University of Technology, China

Majored in Electronic Infomation Engineering. Graduated as Outstading Graduate with Outstanding Project

EMPLOYMENT

Research asistant 2008-2010

The Hong Kong Polytechnic University, Full-time

Develop embedded biometric recognition computation platform. Develop ARM, DSP and FPGA based embedded computation platform.

SKILLS

Languages Chinese Madarin (mother tongue)
English (fluent)

Programming MATLAB, LATEX, C/C++, RUBY

Engineering Electronic device design
Vision system design
DSP, ARM and FPGA development
Protel, Pro/E, WinCE, Linux
